

23rd January 2024

Dear Client, Supplier, or Partner,

We are writing to you today to share an important update. Starting February, 2024, Caduceus Software will change its brand to **Meditecs**.

Of course, we remain the same company with the same commitment to excellence, and the same team you are used to working with. In the last few years, we have expanded our client base, added new services and grew our team significantly. Moreover, we are increasingly serving international markets. These developments called for a new brand, which better reflects who we are, what we do and what vision we have for the future: **Meditecs**.

Additionally, our pay-off will evolve from “*Connecting eHealth*” to “*Smarter integrations. Better patient care.*” because we do more than just connect health systems; we, along with our clients, suppliers, and partners, create a more integrated healthcare system, in a smarter way, improving patient care.

To reflect all these changes, we have a new logo:

Furthermore, we are delighted to announce the launch of our new website: [www.meditecs.com](http://www.meditecs.com). This new website not only represents our new brand but also features a refreshed space for our services and products, and a new meeting point for users and the Caduceus community. On our new website, you will soon find all the content of Caduceus and our forum. Subscribers will soon receive details on how to actively continue participating in our community.

Likewise, in the coming weeks, we will start using new email addresses ending with “@meditecs.com”. Of course all our current email addresses will continue to function normally.

Although we now have a new brand name, our legal identity, and address remain unchanged:

Caduceus Software S.L.  
VAT ID ESB93000404  
Avenida de Ortega Y Gasset, 124, 2nd floor, office 14  
29006 Málaga, Spain

Please update your records if necessary.

If you have any concerns or questions about the change of our brand, please contact us.

Lastly, we want to take this opportunity to express our deepest gratitude. Your trust and support have been fundamental to our growth. We are excited to start this new chapter of our story as Meditecs and to continue strengthening our relationship with you.

Thank you for being part of our journey.

Sincerely,

The ~~Caduceus~~ **Meditecs** Team
